3.	Downward MS of Husband & Wife 1 in "stomach sleeper" position	VO: Did you know that sleeping flat is bad for you?
4.	Husband & Wife 3 both w/arms folded in defiance	Have you ever wondered why buying a mattress is such a struggle?
5.	MCU of Wife 2 standing next to mattress w/quizzical look	Is it really possible to find "the ONE" that's right for you?
6.	MCU of Husband 2 sitting on mattress looking disappointed	How come so many people buy the WRONG mattress ... and not just once?
7.	Stills montage of mattress types	Why have mattresses become so complicated?
8.	MS of Host & two beds; slow zoom out to 2-shot of Host (framed left) & Jeff (framed right)	MUSIC: (in & under / Morning Rise) HOST (on-camera): Those are all good questions ... and we're happy to answer them. Hi, I'm Lisa, here with one of the owners of Gardner's Mattress and More, Jeff Giagnocavo. Jeff, tell us about what makes Gardner's unique.
9.	Cut to MCU of Jeff	JEFF (on-camera): Well, Lisa, we don't just "sell mattresses." Anybody can do that. For us, it's all about the complete sleep experience our customers enjoy.
10.	Cut to 2-shot of Host & Jeff	HOST (on-camera): And you've developed that "complete experience" approach from

		being in the mattress industry for decades. I understand that you've even travelled the globe and been in dozens of mattress factories through the years. So, how does that experience and your extensive connections in the industry benefit your customers?
11.	Cut to MCU of Jeff	JEFF (on-camera): The answer to that is pretty simple. Our customers get the best value ... period. We find your best "fit" from our hand-picked solutions and sleep systems.
12.	Slow pan of stills montage of different types/brands of beds	JEFF (off-camera): And since Gardner's is not beholden to any large mattress suppliers, we're free to recommend ANY mattress ... so our customers can choose from a wide variety of the best offerings that are right for them.
13.	Cut to MS of Host & Jeff w/showroom beds in background	HOST (on-camera): That's the "fit" you're talking about, right?
14.	Slow zoom in to MS of Jeff	JEFF (on-camera): Yeah, that's exactly right. Because we know the mattress industry inside and out, we never use empty, name-brand talking points. We don't have to. In fact, no matter who a customer talks with at Gardner's, they'll be talking with an expert who knows how to find the right sleep system for that customer's individual needs.
15.	ECU of Host	HOST (on-camera): That DOES sound like the kind of experience and value people are looking for.
16.	MCU of Jeff; zoom out to 2-shot of Host & Jeff	JEFF (on-camera): Personally, my goal is to have each one of our customers wake up happy every morning.
17.	2-shot of Host & Jeff continued	HOST (on-camera): Sounds pretty appealing to me. Is there anything else that makes Gardner's unique?
18.	MCU of Jeff (framed left); ECU pan of trademark certificate & Gardner's pillow w/logo (framed right)	JEFF (on-camera): Well, our sleep systems are approved by the U-S Patent Office, so we're the ONLY company in the nation that can offer "Less Snore, More Cuddle" systems ... in both king and queen sizes.
19.	Smiling Couple 1 lying on bed using controller / motion of bed elevating; Couple 2 getting on showroom mattress simultaneously & smiling; Couple 3 in bed using controllers; Wife	JEFF (off-camera): And when you add in the fact that our variety of systems are very easy to use, without any confusing technology or a lot of moving parts that can easily break, our Cuddle Zone systems give you excellent support and comfort and

32.	Shot of Couple 3 compresses to center bottom to reveal three "boxes" total (two in top row, one on bottom) - each w/smiling couple (waving at camera)	They're all looking for the SAME thing ... a GREAT night's sleep. Yet, they've each come to Gardner's for very DIFFERENT reasons.
33.	Husband 1 snoring / Wife 1 holds pillow over her ears	Mr. One snores like a freight train ... making MRS. One weary from poor sleep night after night.
34.	Wife 2 grimaces while massaging her neck / Husband 2 rubs his lower back	Mr. & Mrs. Two have had enough of waking up every day with neck and back pain.
35.	Husband 3 continually tosses & turns / smiling Wife 3 is motionless	Mr. Three so wishes he could have something firm to sleep on, but MRS. Three likes her nice, soft "nest."
36.	Freeze-frame of Couple 3 blurs Graphic supered over freeze-frame: "Sound familiar?"	Sound familiar? Like we said, they all want the same thing ... to wake up every morning refreshed, happy and full of energy.
37.	Freeze-frame compresses to infinity revealing MS of Host	HOST (on-camera): Let's follow their stories as they discover the ONE sleep system that's right for them ...
38.	Title graphic (bottom third) – "Less Snore, More Cuddle"	... and the joy of "Less Snore, More Cuddle."
39.	MCU of Host Slow zoom out to MS of Host & three beds	HOST (on-camera): Let me introduce you to our uniquely designed, Cuddle Zone systems that will help you have "Less Snore" and "More Cuddle."
40.	Cut to slow pan of beds	HOST (off-camera): Our systems are the ONLY ones specifically designed with a "cuddle zone" in the middle.

50.	LS of Couple 1 in bed	HOST (off-camera): ... let's check in with Mr. and Mrs. One.
51.	MS of Wife 1 (fingers in ears); Husband in background	Poor Mrs. One. She can't take another night of lousy sleep next to "Mr. Freight Train."
52.	Zoom in on Husband 1 w/graphic animation sequence showing narrowed airway	His thunderous snoring is due in part to gravity and its narrowing effect on Mr. One's airway during the night. That's just one reason why sleeping flat is bad for you.
53.	Husband 1 laying on mattress; head end of bed elevated	But on a Cuddle Zone system, his head can be raised to the perfect position to reduce the pull of gravity ...
54.	Husband 1 w/bed elevated; Graphic animation of fewer "Z's"; area	... and THAT will reduce his snoring. It's the very reason astronauts don't snore at all in space.

67.	Calendar showing red "X" through multiple days; arrow pointing to weeks later	... IF it's delivered when they say it will be.
68.	MS of Host; graphic supered at bottom – "Lowest Price = Right Mattress"; animated line drawn through equals sign	HOST (on-camera): The real question is, does finding the "lowest price" actually mean it's the "right mattress"? Could that be why you haven't found the "one" that fits YOU?
69.	MS of Host (continued); Push in as Couple 2 walks into background; starts "testing" mattress firmness; disgruntled expressions	Maybe you bought a mattress online or even in a store ... only to discover later that it's not what you really want or need. It feels different at home than what you imagined it would.
70.	Cut to Couple 2 tossing & turning in bed	HOST (off-camera): Over time though, you notice that "difference" more and more because you're sleeping less and less.
71.	MCU of Host	MUSIC: (in & under / Looking in the Mirror) HOST (on-camera): To get a great night's sleep, you have to do MORE than "just buy a mattress."
72.	Slow pan of Couple 3 sleeping in bed	HOST (off-camera): Since you spend about a third of every day in bed, you want to make sure you get the right FIT ... the right level of support and comfort for the way you sleep.
73.	MS of Host	HOST (on-camera): This is one of the reasons Gardner's is so different. We help you discover the exact Cuddle Zone system that fits your individual needs for many years to come.

He wants "extra, extra firm." She wants a soft "nest" to cuddle up in.
142.	Husband 3 then looks at Wife 3's thought bubble "Soft"; Wife 3 then looks at Husband 3's thought bubble "Extra, Extra Firm"; Husband & Wife 3 look directly at camera shaking their heads ("no")	Their different "comfort factors" are why Mr. & Mrs. Three are looking for a new mattress ... and it might be why you're looking, too.
143.	2-shot of Husband & Wife 3 in bed; Husband 3 tosses & turns multiple times "Sags, Dips, Trenches" supered over blurred background shot	Maybe your mattress is just not comfortable anymore. So no matter how old it is, if your current mattress sags or has dips and trenches, you could be tossing and turning a lot ...
144.	Husband 3 sits up in bed grimacing & rubbing shoulder "Tension, Pressure, Numbness" supered over blurred background shot	... have muscle and joint tension, pressure and even numbness.
145.	Husband 3 stands up & walks out of shot (can't sleep)	And because of that, you're not getting the kind of deep sleep that actually restores your body and is so vital to your overall health.
146.	Slow pan beauty shot of mattress being elevated (ALTERNATE of hybrid mattress)	Those issues can all be reduced, and even eliminated, with the right level of individual comfort ...
147.	Host walks into shot of elevated mattress	HOST (on-camera): ... and that's the beauty, and the VALUE, of our Less Snore, More Cuddle systems. They give you a great night's sleep for thousands less ... and you'll wake up happy!

158.	MCU of Host next to latex mattress	HOST (on-camera): Natural sap rubber latex is just that ... natural. Because your skin absorbs everything it's exposed to, it makes sense to sleep comfortably all night long on a NATURAL material.
159.	A – Wife 2 checking mattress; reacts to mattress odor Graphic animation of “odor” B - Cut to Wife 2 sitting on latex mattress; pleasant expression	HOST (off-camera): That way, you never have to wonder what your skin is absorbing or have to deal with harsh chemical odors ... ever. That's one of the big advantages of natural sap rubber latex over memory foam.
160.	A - Beauty shot of nice latex mattress surface (left side of screen) B - Deteriorated memory foam	Also, natural sap rubber latex is more durable than other mattress types because it's not prone to break down simply by being exposed to oxygen ... like memory foam or comfort padding.
161.	Time lapse sequence (Shots 161-162) of happy Husband 3 getting into bed; Wife 3 in bed	Support, comfort, and exceptional durability. Those are just some of the reasons why natural sap rubber latex outlasts all other mattress types by years ... even decades.
